

The European Network of Health Care Chaplaincy

9th Consultation, Lisbon 2006

June 28, 2005

OLÁ!

With this word, the Portuguese way of greeting friends, I want to invite you all to participate in the 9th Consultation of ENHCC, in Lisbon, from 17th to 21st May 2006.

After our meeting at Dublin, in the *Emerald Isle*, we will meet again at Lisbon, in the *Land of Sun*. New and significant steps are approaching in our journey towards the enhancement of the existential, spiritual and religious dimensions in health care.

It was from Lisbon, that Europeans departed, *giving new worlds to the world*, as we say in our language. I invite you to Lisbon, so that we can discover together new ways for the next step of our journeys in health care.

Here, in Portugal, we will do all we can to help you come and participate. If you have any questions, the best way to contact the Organisers of the ENHCC 9th Consultation is to use this e-mail address: lisbon@eurochaplains.org
