November 4, 2010

Dear Friends,

It is with great pleasure that we invite you to London for the next *Consultation of the European Network of Health Care Chaplaincy* September 16<sup>th</sup> – 19<sup>th</sup> 2010. At this *Anniversary Consultation*, we will be celebrating 20 years of European Chaplaincy and 10 year of since the founding of the ENHCC!

Being that we have reached this point in our history as the main European organization in the area of health care chaplaincy, our theme will deal with “Chaplains in the Future – giving and receiving”. We hope this will stimulate an exciting discussion around the issues of working in an ever changing health care setting; working with those from other disciplines; relationships with faith communities as well as how chaplains develop their skills and grow in faith.

The Consultation Hotel is the *Westminster Thistle Hotel*, Buckingham Palace Road, London SW 1W 0QT, which is near Victoria Station and Buckingham Palace. ([http://www.thistle.com/hotels/united\\_kingdom/london/thistle\\_westmi](http://www.thistle.com/hotels/united_kingdom/london/thistle_westmi))

[nster/index.html](#)) It gives easy access from airports and out of London train stations. It also means that you are in the heart of the capital and we hope that besides sharing in the work of the consultation you will have the opportunity to explore the diverse and exciting city of London.

Further details about the Consultation (programme, costs and booking) will be announced in January 2010. In the mean time, being that we will be in London in a time of world financial crisis, we expect that the cost of this Consultation will be higher than in the past. For this reason, it would be wise to begin seeking resources to help cover your expenses. Now that you have the dates of this important event, we encourage you to book your airplane tickets early to cut down on costs. We live in expensive times with little resources. Early booking is surely a way to save.

We look forward to welcoming you to glorious and eloquent City of London.
